Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Friday 7th June 2024

It's been a super-busy this week after a lovely half term break.

Our Year 11s have been pressing on with a full programme of exams. Our Year 10s have been preparing for their first set of PPEs, which start next week and the Geography students also undertook their Fieldwork Trip to Dawlish. We are congratulating a number of Year 10 students who have been successfully appointed as Prefects, with a further group going through for interviews for the Senior Prefect and Student Leadership Team roles. Well done to them.

Year 8 and 9, alongside the other students, contributed fantastically to our Trust Whole School Review, undertaken by senior staff from across the Blackdown Education Partnership. The Review team were highly complimentary regarding our continued development, particularly with reference to our curriculum, standards of behaviour and relationships between staff and students. Our Year 7s have been interviewing for Transition Leader roles and helping prepare for Year 6 transition.

Across the school we undertook a moving reflection as part of the D-Day 80 Commemorations, considering the impact of the sacrifices made in 1944, and our commitment to demonstrating the characteristics that marked out those heroes of the Normandy Beaches. Thank you for your support as always. Have a lovely weekend. Mrs Matthews

Netball Trip

On Friday 24th May, last day of term, we took 14 students to watch Team Bath Netball vs Manchester Thunder. Unfortunately not the result we wanted, however it was a great opportunity for our keen students to see how netball is played at a competitive level. All really enjoyed it and it was a good way to start the half term!

Royal Navy Visit

We had a great afternoon of team building and problem solving with the Royal Navy yesterday. Our group of Year 9 Insight into Apprenticeship students met the challenges set with enthusiasm, determination and with plenty of imagination thrown in for good measure. Well done guys!

Year 7 Cricket

Well done to the Year 7 cricketers who played superbly against all the other local schools at CVL at Castle. No official score taken as it was a friendly, however they played superbly with lots of runs, fun and learning all round.

Geography Trip To Dawlish

This week, Year 10 went to Dawlish Warren to collect their GCSE data for their fieldwork enquiry. It was a beautiful sunny day and the students showed excellent teamwork skills when testing the effectiveness of the coastal defences, as well as look at the impacts of tourism. Next steps are analysing the data and drawing conclusions to see if our findings agree with our hypothesis. Well done Year 10!

Become A Parent Governor
