Court Fields Interhouse Paralympics 2024

In the build up to the prestigious Court Fields Sports Day, students have been competing in their Houses doing Paralympic Sports. Students have been learning and competing in adapted sports such as sitting volleyball and goalball. Furthermore, students have also been learning about the different barriers disabled people face in sport and different solutions to overcome those barriers. IT HAS BEEN AMAZING!!!

Richard Huish Experience Day

A great day was had at Richard Huish yesterday with students having to navigate themselves around the college, ensuring they got to the right lesson on time!

This opportunity has no doubt extended awareness of the variety of Post -16 study programmes available and how it feels to be a college student. Thanks for having us Richard Huish.

Court Fields Alumni

There is nothing better than catching up with former students. Jacob was supporting the Richard Huish Year 10 Experience day yesterday as part of the Student Executive. Jacob has taken his passion for music to college by studying Music Production. If you are interested in the Music Production course please take a look:

Insight into Apprenticeships Programme 2024 - Explore the City

The weather was kind and there were smiles all round for our last Insight into Apprenticeships Trip to Bristol. Commuting to our "business" lunch at Za Za Bazaar, by both train and ferry. A lovely day for both students and staff, this group of Year 9s have been a pleasure to have on the programme this year and we hope the experiences will put them in a good position for KS4. Thank you SBY (South Bristol Youth) for yet another great year! The commute to our business lunch included taking the ferry from Bristol Temple Meads station to Za Za Bazaar. Look at the many historical sights which included the SS Great Britain, M Shed and Aardman who created Morph, Shaun the Sheep and Wallace and Gromit!

Court Fields Interhouse Euro 2024 Winners!

A huge congratulations to Monument House on winning the Court Fields Interhouse Euro 2024. Monument were deserved winners in the end, with Blackdown in 2nd place and Duke in 3rd. Pictured is a jubilant Charity Hunt (Head of Monument House). A massive well done to all the boys and girls who took part, in what was a feast of football.

More Work Experience!

Aiden did a brilliant job, working alongside our Science Technician for the week.

Feedback from XPlore Campers

We recently had your student Luciano at our workshop. I wanted to express how happy we were with him during this time. He showed great interest and was very responsive to all that he was shown and asked to complete. The whole team was very satisfied with his work ethic as well. It was a pleasure to have him do his work experience with us, and most definitely has a bright future ahead of him.
