Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Wednesday 24th July 2024

Thank you so much for all your support as the 2023/24 Academic Year draws to a close. There has been so many things to celebrate this year - please do look at our Facebook page and check out our Summer Magazine when it's sent out later this week.

My highlights included Prom 2024 where the rain didn't dampen our first Year 11 Prom to be held at the Somerset County Ground, complete with a sheep as part of the arrivals, Sports Day in the sun with a nail-biting win from Monument, The Lion, the Witch & the Wardrobe as our fantastic first whole school production in 5 years and a massive success, Careers Events including our Careers Fair, Employers' Tea, Mock Interviews and Work Experience Week, our amazing staff team, including Adam Etherington being chosen as a finalist for the Pearson 'Unsung Hero of the Year Award', with Charity Hunt as Highly Commended in the same category, our students who have done so well whether that be in subject progress, making new friends, improving their attendance, trying a new club, completing the Exmoor Challenge, earning Prefect status, meeting Parliamentary Candidates or being kind when someone needed it.

They are fantastic, as are our staff, parents, families and wider community. Thank you! Have a great summer, and see you in September. Best wishes, Mrs Matthews

The Detention

It was such a pleasure to welcome the cast of The Detention. Written and Directed former student Madi B this play was performed by four Court Fields Alumni and fellow actors from the Genesis Youth Theatre Group. Receiving rapturous applause from students, many of which then attended a Q & A session with the cast exploring their education journey's and future plans. Thank you for such an amazing opportunity.

5 Star Food Hygiene Rating!

The Food Standards Agency came out last week to inspect our school kitchen and we have been given 5 stars! Congratulations to our Catering Team, led by Pete Hartnell and Wendy Alway.

PETROC Visit

Last week we had two days of informative sessions, guest speakers, and problem solving challenges at PETROC, Tiverton Campus this week for a small group of Year 10 students. This Experience of Workplace Initiative provided the opportunity to experience life as a college student and develop those all important employability skills. Great couple of days PETROC, thank you.

Year 10 Residential

Here are some photos so far from our Year 10 Residential. Plenty more can be found on our Facebook page, posted daily!
