Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

Firstly I'd like to thank staff, students and parents for making this week so successful in terms of preparation for and welcoming our students to school. It's been great to pop into lessons and see how quickly students have settled into focused productive learning. It was also amazing to officially open our fantastic 3G Pitch, which will be such a brilliant facility for the school and the wider Wellington community. We can't wait to get started on PE lessons and social time games next week!

It's a busy start to the term, as we're opening our doors for Open Evenings and Morning Tours in two weeks, so please spread the word to parents of students in Year 5 & 6 locally.

Finally from me, thank you as always for all your support as we start the new year. I look forward to seeing you at our Meet the Tutor Evenings on the 18th and 19th September. Have a lovey weekend. Mrs Matthews

3G Pitch Grand Opening

Today was the grand opening of our new 3G pitch! Edward Ling, Olympic Bronze Medalist, officially opened the pitch during the ceremony and it is now open for use! We can't wait to get the children on the pitch and already have lots of bookings coming through from local clubs. If you would like to enquire about booking the pitch, please email 3gbookings@courtfields.bep.ac.
