Parent Weekly 'What's Happening' Bulletin

Message from Mrs Matthews

It's been very busy again this week, with all our clubs starting in PE and across the wider areas. Long-time favourites Bug Club and Chess Club have once again proved to be super busy, alongside new entries such as Historical Fiction and e-Sports, and some of our developing clubs from last year such as LGBTQ+, Origami and Glee Club. There really is something for everyone, so do encourage your child to get involved at lunch or after school.

Next week is our Open Evening event, along with Open Tours from 26th September to 1st October. Mrs Westwood and I finish our last visit to primaries, with Langford Budville our final stop on the tour! Please do come along on Wednesday evening if you have children in Years 5 or 6, or flag up to friends and colleagues if you do!

I hope you have a lovely weekend. Thanks for your support as always. Best wishes, Mrs Matthews

Career Workshop - RAF

Great to start the new academic year with a Career Workshop facilitated by the RAF. Scott, from the Careers Engagement team shared lots of useful information about the many and varied routes, opportunities and competitive salaries. It was also an opportunity to celebrate with the students that former student Izaak C has just started as an Aircraft Technician. *Congratulations Izaak!*

BRINGING OUT YOUR BEST | [f](#) [i](#) [in](#)

As you consider your young person's future steps, are you asking yourself what the options are? These presentation evenings will outline the various pathways available, their unique benefits, and the exciting opportunities on offer. You will learn how they align with your young person's interests, skills, and career aspirations. We'll have a team of staff available to answer questions relating to A Levels, T Levels, Apprenticeships and Professional and Technical Qualifications. To sign up, scan the relevant QR code, go to our website at www.btc.ac.uk, or call Information & Advice on 01278 441234. *Please note: Open Evenings take place in October when you will be able to look around the Campus.
