

GCSE French PPE #2 - March 2025

As in November, there will be exams in **Reading & Writing** (done in the Hall) and **Listening** (done during lesson time).

This PPE will take the form of an entire past paper, so anything / everything could potentially come up!

There will, as always, be questions on the following topics:

Festivals (Including wedding/marriage)

TV/Film/Music/Reading

Town/Local Area

Healthy Lifestyle

Environmental Issues

Work & Employment

School Life

Voluntary Work

Freetime activities

Future plans

Internet (pro and cons/risks)

Holidays

To revise, focus on the tailored booklet I designed for you and make sure you do every task as many times as you need to know it.

If you feel that you know everything in your booklet, you can use your revision guide and BBC bitesize to complete your revisions.

Additionally, you should revise the key grammar, which could (and will) appear in all of the different topic areas...

Especially important: **verb formation** (present, passé-composé, imperfect, near future, future, conditional tenses - focus on the "I" form in first instance); adjectival agreement, understanding and use of a variety of connectives and intensifiers.

Practice using complex structures, like subordinative and relative clauses. You can also find complex structures listed in your speaking booklet at the end of each theme.
