# TOP TIPS FOR YOUR TASTER DAY

- Listen and engage with your lecturer.
- Ask relevant questions.
- Enjoy the college's facilities. A lot of which are new and to industry standard.

# EXPECTATIONS

College is a different learning environment to school, and you will be expected to behave in a mature manner.

You must remain on campus until instructed to leave by a member of your teaching staff.

Follow any instructions given to you by college staff, some instructions are there to keep you safe.

Poor behavior will not be accepted. Your teachers will be on hand to remove you from your chosen area, if necessary. It may result in the lecturer refusing to take you onto their course when you leave school.
